BIOGRAPHY

Dr Benjamin Erzetic is a registered Oral and Maxillofacial Surgeon (OMS) with the Medical and Dental Boards of Australia (AHPRA). He has been in specialist practice for the past fifteen year following extensive training in the field of OMS.

Dr Erzetic has been a Visiting Medical Specialist at the Mater Public Adults and Children's Hospital since 2002 as well as Director of Maxillofacial Services at the Lady Cilento Children's Hospital.

Dr Erzetic is closely involved in the education and training of new surgeons at both a national and local level. His assessment specialties include dental implants, dentoalveolar facial trauma, oral pathology and orthognathic surgery.
