### BIOGRAPHY

Claire Welshe is a qualified Occupational Therapist who obtained her Bachelor of Occupational Therapy in 1995. She currently has a private practice in Brisbane and has fifteen years of experience in medico-legal consultancy.

Her specialties include medicolegal reporting on the impact of mental health conditions, catastrophic injuries and musculoskeletal impairments on activities of daily living (ADLs), functional capacity (FCE) and therapy services to clients with physical and psychological impairments.

Claire provides mental health Occupational Therapy services to clients via a home visiting clinic run through the Brisbane ACT Centre.

Claire has recently been certified by the American Board of Independent Medical Examiners (ABIME) and is proficient in the use of the AMA guides to the Evaluation of Permanent Impairment, 5th Edition (AMA5).
