## BIOGRAPHY

Dr McLean has vast experience in all forms of knee problems and injuries. He has managed and operated on many elite level sports-persons and Olympians, including athletes in AFL, skiing, hockey, soccer, rugby, basketball, netball, athletics, cycling, along with many other individuals from recreational sports people, veteran athletes, to non-athletic persons, work injuries and arthritis problems.

He has particular expertise in knee trauma, recovery and surgical procedures. He began his specialisation in knee surgery with a surgical internship under world-leading orthopaedic surgeons Dr Don O'Donoghue and Dr William Grana in Oklahoma City, USA, in 1978. Iain is associated with many advanced knee surgery techniques in Australia, and has been a speaker and leader in the international orthopaedic and sports medicine community for many years.

Dr McLean continues to keep abreast and up to date with all developments in Knee Surgery and Research. He is a Member of the Australian Knee Society (AKS), Australian Orthopaedic Association (AOA), the International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine (ISAKOS), and the AFL Doctors Association.
