BIOGRAPHY

Dr Paul Pincus gained his medical degree from the University of Queensland. He went on to complete his surgical training at Princess Margaret Rose Orthopaedic Hospital and the Royal Infirmary of Edinburgh, England. Dr Pincus became a Fellow of the Royal Australasian College of Surgeons and a Fellow of the Australian Orthopaedic Association.

Dr Pincus is currently a Consultant Orthopaedic Surgeon in private practice and a Visiting Medical Officer for Wesley Hospital, St Andrews Hospital and Royal Brisbane Women's Hospital. In the past he has held the positions of Locum Consultant for Princess Alexandra Hospital, Harlow, Hertfordshire, England and Deputy Director of Orthopaedics for the Royal Brisbane Women's Hospital.

Dr Pincus holds AMA5, AMA6 and GEPI accreditation. He has a particular interest in arthroplasty, paediatric orthopaedics and arthroscopy. His assessment specialties include upper and lower limb conditions and spinal conditions.
