ASSOC PROF JENNIFER BATCHELOR

NEUROPSYCHOLOGIST | PHD, M.SC., B.B.SC. (HONS)

MINDSENSE
CENTRE OF PSYCHIATRY

Overview

With over three decades of professional experience, Associate Professor Jennifer Batchelor is a distinguished figure in the fields of psychology and clinical neuropsychology.

From her tenure as a Lecturer at Macquarie University's Department of Psychology spanning from February 1995 to December 2008, to her role as a Clinical Neurologist at Westmead Hospital from February 1985 to February 1995, she has showcased her expertise and commitment to advancing mental health care and neurological research.

As a registered psychologist endorsed in Clinical Neuropsychology by the Psychology Board of Australia, she holds a Master of Clinical Neuropsychology from Melbourne University and earned her PhD from Macquarie University. Her academic journey reflects a dedication to excellence and a passion for enhancing our understanding of the complexities of the human mind.
