MINDSENSE
CENTRE OF PSYCHIATRY

Overview

Dr Zeeva Cohen is a distinguished psychiatrist specialising in historical child sexual abuse. Her deep expertise is bolstered by extensive psychotherapy training, which allows her to adeptly navigate complex dynamics. With extensive experience as a Consultant Psychiatrist at The Geelong Clinic and Middlemore Hospital in NZ, Dr Cohen has played a pivotal role in improving mental health outcomes.

Beyond clinical practice, Dr Cohen has nurtured future psychiatrists as a Registrar Training Facilitator at Counties Manukau District Health Board and served as an Accredited Supervisor with the Royal Australian and New Zealand College of Psychiatrists.

Dr Cohen's commitment to advancing psychiatry is evident in her groundbreaking research published in Australian Psychiatry, offering invaluable insights into psychiatric education and practice dynamics. Trust Dr Zeeva Cohen for expert care and comprehensive evaluations in your cases.
